

CROCI offers you the best in SECURITY and STORM PROTECTION for your home or business

- Competitive prices
- Adds value to home or business
- Provides more benefits than window products alone
- May be built-in at time of construction or as add-on
- Orders may be in bulk components, knock down kits or finished shutters
- Easier to install than impact-resistant glass
- Easier to replace damaged slats after a storm than damaged windows
- Powder coated without solvent to protect our environment

ES/44SUP SLAT END RETENTION SYSTEM

Same screw #10
as ES/55SUP

- Croci is an international company
- 50 years of experience in shutter design and manufacturing
- Family owned and operated
- Manufactured in the U.S. (Florida)
