Croci Retractable Shade Systems

The *AZURA* drop Shade System

Our CRS Systems will allow you to manage the environment in seconds. Protect your deck or patio from the sun and light rain with our elegant motorized Croci Retractable Shade Systems. They will add beauty and comfort to your outdoor area and protect your furniture from Mother Nature.

Somfy Radio motorization will be your best choice to operate your Croci Retractable Shade Systems. Wind and sun sensors are also available for your home's every day protection

These products have been designed for you to enhance the enjoyment of your home. Croci offers a large selection of frame and fabric colors to customize your CRS Systems to suit your taste and elevate the architectural beauty of your home.

These unique designs will increase your living space and also lower your yearly energy bill by blocking the sun, heat and UV rays.

The *VENEZIA* Retractable Awning System
