

*Nobody  
Understands  
Retractable Shade Systems  
Quite Like Croci*

***EXPERIENCE***

Croci has over 50 years of experience in the industry with manufacturing facilities in Europe, Australia, Africa, South America and the United States.

***QUALITY***

Croci North America uses only the highest quality of Aluminum and Stainless Steel hardware. All products are designed, powder coated and assembled in our 120,000 sqft facility in Ft Myers, FL.

***RAPID SERVICE***

Products are shipped domestically and internationally after a most rigorous inspection by Croci's Quality Control Department.

**Croci Retractable Shade Systems  
the *BREEZE* screen**

# *Croci Retractable Screen System*

## *The BREEZE Screen System*

The *BREEZE* Screen from Croci protects you from the elements with a touch of a button. This retention Screen system is a heavy duty, trouble free unit. This one of a kind screen will protect you against the sun, rain, wind, glare and bugs while offering you privacy without blocking your magnificent view.

Somfy Tahoma System

Somfy Radio motorization will be your best choice to operate your Croci *BREEZE* Screen System. Wind and sun sensors are also available for your home's every day protection.

The *BREEZE* screen is offered in various color frames with a multiple choice of fabric quality and colors. Specific powder coating can be offered thanks to our in house painting line. The aesthetic of our small round housing will fit perfectly with the architectural beauty of your home.

Our *BREEZE* Screen is the perfect solution to your outdoor lifestyle.
